

October 1, 2006

To Whom It May Concern:

**PROJECT NHU-8-010(027)932 – PCN 15822, West Fargo Main Avenue**

The North Dakota Department of Transportation and the city of West Fargo are currently planning an Alternatives Public Workshop to discuss the progress and alternatives developed for the Main Avenue Reconstruction Project on **October 17, 2006, from 4:30 p.m. - 7:30 p.m. with a formal presentation starting at 5:30 p.m. at the West Fargo City Hall.**

Due to the complexity of the project, the corridor has been divided into three segments Segment 1 (I-94 to the Sheyenne River), Segment 2 (Sheyenne River to 5<sup>th</sup> Street East) and Segment 3 (5<sup>th</sup> Street East to 45<sup>th</sup> Street West). Meetings, also at West Fargo City Hall, will be held for each segment prior to the Alternatives Public Workshop. Please see the table below for the appropriate meeting date and time. The business that are located adjacent to the segment breaks may attend the adjacent segment meetings.

<b>Segment</b>	<b>Meeting Date/Time</b>
Segment 1 (I-94 to the Sheyenne River)	October 16, 2006 9:00 a.m. – 12:00 p.m.
Segment 2 (Sheyenne River to 5 <sup>th</sup> Street East)	October 16, 2006 1:30 p.m. – 4:30 p.m.
Segment 3 (5 <sup>th</sup> Street East to 45 <sup>th</sup> Street West)	October 17, 2006 9:00 a.m. – 12:00 p.m.
Alternatives Public Workshop	October 17, 2006 4:30 p.m. – 7:30 p.m.

We appreciate being made aware of any proposed developments with the project area. Any information that may help our study is appreciated. Information or comments relating to environmental or other matters that you furnish at this meeting will be used in the development of the proposed project. If you are unable to attend, comments can be sent to the address below. It is requested that any comments or information be forwarded to our office on or before October 31, 2006.

If further information is desired regarding the proposed improvement, you may contact Chad Orn, at (701) 328-4587, at the North Dakota Department of Transportation in Bismarck, North Dakota.

MARK S GAYDOS, P.E., DESIGN ENGINEER
