Finding of No Significant Impact (FONSI) US Highway 10 (West Fargo Main Avenue) from I-94 to 45th Street East

The Federal Highway Administration (FHWA) has issued a Finding of No Significant Impact (FONSI) regarding the reconstruction of West Fargo Main Avenue from I-94 to 45th Street East. Based on the findings of the Environmental Assessment and the comments received from interested parties, preferred alternatives and options were selected for the reconstruction of West Fargo Main Avenue.

The FONSI identifies the preferred alternatives and options for the reconstruction of West Fargo Main Avenue as follows: Segment 1 - Alternative S1-C (raised median with direct access from I-94 to 6th Street West) and the 8th Street West/County Road 19 Option; Segment 2 - Alternative S2-B Modified (raised/flush median with diagonal parking turnouts from 6th Street West to 5th Street East); and Segment 3 - Alternative S3-B (raised median with six lane section from 5th Street East to 45th Street East) and the 17th Street East Option 2.

The FONSI is available for public viewing at the following locations:
